SIR,

With reference to your memo No.407 dated 31st January 1922, I have the honor to inform you that the Gumbuz Garden has been leased out for a period of five years to one Jade Dasi for Rs.1950/- a year. Only one year of this lease has expired. The Managers of the Gumbuz do not wish the Garden to be handed over to the control of the Sup-rintendent, Government Gardens, and I agree with them as this contemplated dual control will only cause friction.

The proposal may be dropped.

I have the honor to be,

T.V. D/S

Dear Mr. Ramanathan,

In reply to your letter, regarding the proposal to transfer the Gumbuz Garden at Seringapatam to the Gardens Department, I write to say that the Deputy Commissioner's view does not strike one as correct. The state of the garden bears sufficient testimony to the way in which it is looked after at present. There will be no more "dual Control", which the Deputy Commissioner talks of, here than in the Daria Dowlat where, If I am not mistaken, the garden is looked after by the Gardens Department and the Building is in charge of the P.W.D.

It appears desirable to effect the change without further loss of time. Care should, however, be taken to see that sufficient funds are allotted, if possible, for the improvement and upkeep of the garden. Mr. Krumbiegel may be consulted as regards this. The revenue derived from the garden may continue to be credited to Gumbuz funds. So long as the income from this source is not interfered with to any appreciable extent, neither the Deputy Commissioner nor the Gumbuz Committee can reasonably complain.

Yours sincerely,

Mirza M. Ismail
